

Hands-on Projects you can do for earthquake victims in Haiti

Hygiene Kits

- 1 bar of soap*
- 1 tube of toothpaste*
- 1 toothbrush
- 2 washcloths
- 1 bath towel
- 1 bottle of shampoo*
(place in a plastic bag to prevent leakage)
- 1 bottle of deodorant
(roll-on or stick, no aerosol spray)
- 1 comb and/or brush
- 1 nail clipper with file
- 1 large handkerchief

Wrap all items in the bath towel and fasten with safety pins.

*If these items have an expiration date, it must be at least one year in advance.

School Kits

- 4 spiral notebooks
(8" x 11" with approx. 75 pages)
- 1 sturdy metric ruler (12")
- 6 unsharpened pencils
- 1 pencil eraser
(not pencil top, but similar to Pink Pearl™)
- 2 blue or black ink pens
- 1 pack of crayons or colored pencils
- 1 comb or toothbrush
- 1 drawstring bag (10" x 15")

Fill the drawstring or similar bag with the items listed above.

Comforters

(heavy or light, any size)

Should we receive more hygiene kits, school kits, and comforters than is practical to distribute to the best advantage in Haiti, we will need to use them in other countries we work in.

Because of customs declaration, please include only the items listed. All items must be new. Put all the kits into a large box or bag, and write the type of kit and quantity on top. Please send \$2.50 per kit to Christian Aid Ministries (P.O. Box 360, Berlin, Ohio 44610) for shipping and distribution costs.

Unloading a newly-arrived air-shipment in Haiti.
